

## **Contract Safety Manager Services**

Not every organization needs — or can justify — a full-time Safety Manager. However, every organization is responsible for maintaining a safe workplace and complying with OSHA regulations, safety work practices and industry standards.

**Baldwin Safety Solutions** provides experienced **Contract Safety Manager “CSM”** to help organizations manage workplace safety, reduce risk, and maintain regulatory compliance.

Our Contract Safety Manager can support your organization by:

- Managing and maintaining your **safety and health program**
- Conducting **facility safety inspections and audits**
- Ensuring **OSHA compliance and regulatory documentation**
- Leading **incident investigations and corrective actions**
- Providing **employee safety training and safety meetings**
- Managing **OSHA 300 logs and required recordkeeping**
- Assisting with **OSHA inspections and compliance issues**
- Developing **Job Safety Analyses (JSA) and Safe Work Procedures**

This flexible service allows your company to gain the expertise of a **professional Safety Manager without the cost of a full-time hire**.

Whether you need **temporary coverage, project support, or ongoing safety management**, Baldwin Safety Solutions can provide the leadership needed to keep your workforce safe and your facility compliant.

**Professional safety leadership when you need it.** Give **Baldwin Safety Solutions** a call **682.381.8680** to schedule an appointment, we can help.
